WHAT OUR PARENTS, STUDENTS AND STAFF THINK ABOUT OUR CAMPUS

In October 2018, a survey was conducted by YouthTruth Survey. 372 students, staff members and parents responded. The data below highlights our accomplishments, showcases how we are viewed, and areas where we can grow.

ARMAND BAYOU ELEMENTARY CELEBRATIONS

“I enjoy that the school allows parents to participate in so many activities with the school and children. I also like how there is a big advocacy and voice for the PTA here. I feel so welcomed by the school each time they have a school-wide event. The entire school comes together and is always so warm and inviting each and every day I am here at Armand Bayou. My children are blessed to attend here.”

- Kindergarten parent

“The best thing at my school is having leadership jobs. Leadership jobs motivate me to think bigger and remember that I can be anything I want.”

- 3rd grade student

WHERE WE CAN GROW

- **Academic Rigor:** 49% of students said, the work they do in class really makes them think.
- **Family Communication:** 83% of parents said they receive regular feedback about their children’s progress.
- **Peer Communication:** 54% of students said they help other kids in class when they don’t know what to do.

- **School Culture:** 100% of staff agree that, “My school’s employees are committed to the success of my school.”
- **Engagement:** 95% of students agree that their teacher wants them to do their best.
- **Relationships:** 94% of parents agree that teachers and students care about each other.

OUR FOCUS

Increase academic rigor

Develop more family communication

Increase peer-to-peer communication
